

(f) *Except as provided in this section, the provisions of Sections 169 to 218 shall apply in all respects to watershed improvements made under this section as if made from funds by assessments without issuing bonds or notes.*

(g) *If the Watershed Work Plan approved by the County Commissioners provides for taking over or adopting as the whole or as part of the watershed improvements to be provided under this sub-title, any works of improvement already constructed, the Board of Directors may pay from the proceeds of any bonds or notes issued under the provisions of this section the amount necessary to acquire such works of improvement, or to reimburse any landowners for any amounts expended by them in the construction thereof.*

(h) *The County Treasurer shall report to the Board of Directors at regular intervals, whatever amounts he may have collected as taxes during such periods, with a list showing the amount received from each landowner. The Board of Directors shall order all such monies to be paid by the County Treasurer for the redemption of the bonds or notes issued and the interest thereon.*

(i) *If any installment of principal or interest represented by the said bonds or notes shall not be paid at the time and in the manner the same shall become due and payable, and such default shall continue for a period of six months, the holder or holders of such bond or note or bonds or notes in default shall have a right of action against the Board of Directors. The Circuit Court of the County may issue a writ of mandamus against the Board of Directors, directing the levying of a tax or special assessment against the landowners in default and the collection of the same in such sum as may be necessary to meet any unpaid installments of principal and interest and the costs of the action. The amount of the tax or special assessment shall be certified by the Board of Directors to the County Treasurer who shall proceed immediately to collect the same from the landowners so in default according to the procedure provided in Sections 202-206 of this sub-title, and when such sums have been collected the County Treasurer shall, upon order of the Board of Directors pay the said unpaid installments of principal and interest in default and the costs of the action. The official bonds of the County Treasurer and the other officers shall be liable for the faithful performance of the duties assigned to them under this sub-title. The holder or holders of any bond or note or bonds or notes in default are hereby authorized to institute suit against any officer on his official bond for failing to perform any of the duties required of him pursuant to this section.*

204. *All taxes levied under this sub-title shall be taxes against the lands benefited. Should any piece of property subject to taxation under this sub-title be divided, the Board of Directors shall determine the ratio in which any subsequent tax levied shall be divided between the several holdings, which ratio shall be the proportion in which the several holdings are benefited.*

205. *The taxes levied and collected in this manner shall remain in the county treasury until disbursed by the County Treasurer upon orders drawn and signed by the Board of Directors. The County Treasurer shall keep a separate record for each Public Watershed*
