

each block of 100 trailer coach spaces or fraction thereof, \$100. IN NO EVENT SHALL THE FEE BE MORE THAN \$100.00.

In addition to the annual license fee there shall be paid an occupancy fee for each trailer space occupied of \$1.00 per month until June 1, 1960, and \$2.00 per month thereafter, said occupancy tax to be prorated for any period of occupancy of less than a month. This license fee shall be applicable to all trailers in any trailer coach park and any trailer located on rented property. The tax shall be collected by the owner of the trailer coach park or owner of the land shall collect the tax monthly and remit it to the County Commissioners not later than the 20th day of the following month.

The fee for the transfer of a license shall be five dollars and shall be transmitted to the County Commissioners before the transfer of license is effective. In addition, no transfer of license shall be effective until all the taxes owed by the transferor have been paid to the County.

217B. (Application for License.) Applications for a trailer coach park license shall be filed with and issued by the Board of County Commissioners sitting as the Board of Health, showing

- (a) The name and address of the applicant.*
- (b) The location and legal description of the trailer coach park.*
- (c) A plot plan drawn to scale showing the complete layout of said park, including the location of every trailer lot, accessory building, or other building or structure, as well as driveways, automobile parking spaces, water and sanitary facilities and surface drainage.*
- (d) Plans and specifications of all buildings and other improvements constructed or to be constructed within the trailer coach park and including plans and specifications of water supply and distribution and sanitary facilities.*
- (e) Such further information as may be required by the Board of County Commissioners to enable it to determine if the proposed park will comply with legal requirements.*

The Board of County Commissioners shall require the St. Mary's County Planning Commission and the St. Mary's County Health Department to inspect the site, review the plans and specifications and submit recommendations to the Board of County Commissioners as to approval, disapproval, or revisions necessary for the plans and specifications to comply with all provisions of this Act and all other applicable ordinances or statutes. If the provisions of this Act have been complied with and if the applicant is found to be of good moral character and if the Board of County Commissioners shall have determined that the granting of the application is not detrimental to public welfare or safety of persons or property because of pertinent conditions in regard to public roads, schools, churches, public utilities and household services, use of adjacent territory for residential, agricultural or other purposes, and maintenance of peace and good order, the Board of County Commissioners shall approve the application and upon completion of the park in accordance with the approved plans shall issue the license.

The application and all accompanying plans and specifications shall be filed in triplicate. The Board of Health and the Board of County
