

*217G. F. (Laundry Facilities.) Laundry facilities shall be provided in the ratio of one double laundry tub for every 20 trailer coach spaces or one single laundry tub and one automatic or semi-automatic type washing machine for every 20 trailer coach spaces. An electrical outlet shall be provided supplying current sufficient to operate each washing machine. Drying spaces shall be provided sufficient to accommodate the laundry of the trailer coach occupants. The service building housing the laundry facilities shall be a permanent structure complying with all applicable ordinances and statutes regulating buildings, electrical installations and plumbing and sanitation systems.*

*217H. G. (Sewage and Refuse Disposal.) Waste from showers, bath tubs, flush toilets, urinals, lavatories, slop sinks and laundries in service and other buildings within the park shall be discharged into a public sewer system in compliance with applicable ordinances or into a private sewer and disposal plant or septic tank system of such construction and in such manner as will present no health hazard. Each trailer coach space shall be provided with a trapped sewer at least four inches in diameter, which shall be connected to receive the waste from the shower, bath tub, flush toilet, lavatory and kitchen sink of the trailer coach harbored in such space and having any or all of such facilities. The trapped sewer in each space shall be connected to discharge the trailer coach waste into a public sewer system in compliance with applicable ordinances or into a private sewer and disposal plant or septic tank system of such construction and in such manner as will present no health hazard.*

*217I. (Garbage Receptacles.) Tightly covered metal garbage cans, or other suitable garbage receptacles, shall be provided for each trailer. The cans shall be kept in sanitary condition at all times. Garbage and rubbish shall be collected and disposed of as frequently as may be necessary to insure that the garbage cans shall not overflow.*

*217J. H. (Fire Protection.) Every park shall be equipped at all times with one fire extinguisher in good working order for every 10 trailer coach spaces located not further than 200 feet from each trailer coach space, except where fire hose hydrants are provided. No open fires shall be permitted at any place which would endanger life or property. No fires shall be left unattended at any time.*

*217K. I. (Animals and Pets.) No owner or person in charge of any dog, cat or other pet animal shall permit it to run at large or commit any nuisance within the limits of any trailer coach park.*

*217L. J. (Prohibited Parking.) It shall be unlawful for any person to maintain or use any trailer coach which is occupied for dwelling or sleeping purposes any place within St. Mary's County for a period of not more than ten days in any month, except in a duly licensed trailer park or upon obtaining written permission from the Department of Health. Said permission shall be granted if the applicable health regulations are being complied with.*

*217M. K. (Register of Occupants.) It shall be the duty of the licensee to keep a register containing a record of all trailer coach owners and occupants located within the park. The register shall contain the following information:*
