

(2) have worked under the direction and supervision of a licensed Restricted or Master Electrician for a period of at least one year immediately preceding the date of his application.

8-13.

(a) Applicants granted permission to take the written examination shall pay to the Board a fee of \$10.00 prior to commencing the examination.

(b) The written examination for either the Master or Restricted Electrician License shall be predicated upon the standards of the National Electrical Code, as well as upon any rules and regulations adopted by the Board pursuant to sub-section 8-2(b), *supra*.

(c) In order to qualify for the granting of either license the applicant must receive a grade constituting at least 70 per centum of the total possible point credits in the examination.

(d) The use of any unauthorized material or other misbehavior by an applicant during his examination shall cause the immediate rejection of his application and bar him from re-examination for at least six months. Any such rejection shall be permanently noted in the minutes of the Board.

8-14.

Each applicant who has taken a written examination shall be notified, as soon as practicable, thereafter, of the grade which he received in such examination. Each applicant who has received a passing grade shall be notified that upon his payment within 60 days of the appropriate license fee to the Board he shall be issued the license for which he was examined. The fees for the two classes of licenses shall be as follows:

(a) Master Electrician	
Original Issuance Fee:.....	\$ 35.00
Annual Renewal Fee:.....	\$ 25.00
(b) Restricted Electrician	
Original Issuance Fee:.....	\$ 15.00
Annual Renewal Fee:.....	\$ 10.00

8-15.

Any person who shall be denied permission to take the written examination for either class of license, or who shall be given a failing grade on his written examination by the Board, may appeal from either action of the Board of Electrical Examiners and Supervisors to a Board of Arbitration consisting of three Master Electricians licensed and resident in Anne Arundel County. The appeal shall be taken within ten days following receipt of notice of the Board's action, shall be noted in writing, shall provide the name and address of the Master Electrician selected by the appellant to serve on the Board of Arbitration, and shall be accompanied by a deposit of sixty (\$60.00) dollars. Within one week following receipt of the appeal the Board of Electrical Examiners and Supervisors shall select the second Master Electrician to serve on the Board of Arbitration. Within one week following the selection of said second member of the Board of Arbitration, the said first and second members thereof shall
