

poses; and in the event such transfer of these appropriations from the State Department of Health to the State Department of Public Welfare is made, the Board of Public Works shall approve a plan for continuing the programs of medical care under the provisions of Article 43, Sections 42 and 43 of the Annotated Code of Maryland, 1957 edition.

10.01.03.05 Hospital Out-Patient Program

For payment to Baltimore City and County Hospitals for out-patient department services to indigent and medically indigent persons.

General Fund Appropriation

501,935

The amount hereby appropriated is to be made available for payment to hospitals for services to residents of Baltimore City and the Counties contingent upon the amount made available by Baltimore City and the Counties for the same purpose and period on an equal matching basis.

All or part of this appropriation may be transferred to the State Department of Public Welfare by approved budget amendment in order for the State to be eligible to receive Federal matching funds for medical care in the event that the Board of Public Works deems such action to be desirable; further, all or any portion of this appropriation may be used for such matching purposes; and in the event such a transfer of this appropriation from the State Department of Health to the State Department of Public Welfare is made, the Board of Public Works shall approve a plan for continuing the programs of medical care under the provisions of Article 43, Sections 42 and 43 of the Annotated Code of Maryland, 1957 edition.
