

(d) For the purpose of this section, an offer to buy or to sell is accepted in this state when acceptance (1) is communicated to the offeror in this state and (2) has not previously been communicated to the offeror, orally or in writing, outside this state; and acceptance is communicated to the offeror in this state, whether or not either party is then present in this state, when the offeree directs it to the offeror in this state reasonably believing the offeror to be in this state and it is received at the place to which it is directed (or at any post office in this state in the case of a mailed acceptance).

(e) An offer to sell or to buy is not made in this state when (1) the publisher circulates or there is circulated on his behalf in this state any bona fide newspaper or other publication of general, regular, and paid circulation which is not published in this state, or which is published in this state but has had more than two-thirds of its circulation outside this state during the past twelve months, or (2) a radio or television program originating outside this state is received in this state.

(h) When any person, including any nonresident of this state, engages in conduct prohibited or made actionable by this act or any rule or order hereunder, and he has not filed a consent to service of process under subsection (a) and personal jurisdiction over him cannot otherwise be obtained in this state, that conduct shall be considered equivalent to his appointment of the Commissioner or his successor in office to be his attorney to receive service of any lawful process in any non-criminal suit, action, or proceeding against him or his successor, executor or administrator which grows out of that conduct and which is brought under this act or any rule or order hereunder, with the same force and validity as if served on him personally.
