

WHEREAS, A Commission which undertook to:

- a. Review the current situation to determine what day care services for children are presently available in schools, nurseries, day care centers, and voluntary and public recreation programs,
- b. Determine their adequacy in quality, quantity, and distribution for the actual needs of Maryland's families,
- c. Set standards of service jointly with the Departments of Health, Welfare, and Education to express what the state considers adequate protection for the healthy growth of children.
- d. Review the licensing accreditation system in the state to determine whether it meets these standards,
- e. Evaluate existing services in the light of these standards,
- f. Recommend any necessary changes or coordination of existing services, or new day care services, to adequately meet the needs of children and their families,
- g. Recommend the sources from which funds, public and voluntary, might be obtained for the implementation of this program,
- h. Consider the proper state agency to be given responsibility for carrying out day care services for children, would enable the General Assembly and the Governor of Maryland to make an informed judgment on what, if any, action is needed in this field; therefore, be it

*Resolved by the General Assembly of Maryland,* That the Governor be requested to appoint a commission to study the day care available to children in Maryland; and be it further

*Resolved,* That the Governor be requested to make available from the contingency funds placed at his disposal an amount sufficient to finance the study proposed herein; and be it further

*Resolved,* That said Commission report its findings to the Governor and the General Assembly by the beginning of the next regular session of the General Assembly.

Approved March 23, 1962.
