April 6, 1962.

Honorable Perry O. Wilkinson
Speaker of the House
State House
Annapolis, Maryland

Dear Mr. Speaker:

In accordance with Article 2, Section 17, of the Maryland Constitution, I am returning to you House Bill 64 which has been vetoed by me.

The Bill provides that in a suit filed against an uninsured motorist, who is a resident of the State, service can be made by publication after twice returned "*non-est*".

The Attorney General has advised me by letter, dated March 22, 1962, that his office had reviewed House Bill 64 and recommended that I veto the Bill for the following reasons:

- “1. There is no proper standard in the bill to determine who is an owner or operator of an insured motor vehicle.
2. The Bill does not provide for proper service upon an owner or operator of an uninsured motor vehicle for in personam jurisdiction.
3. That the bill possibly provides for unconstitutional discrimination against any person arbitrarily judged to be uninsured.”

In view of the Attorney's recommendation, I feel it necessary to veto House Bill 64.

With kindest personal regards, I am

Sincerely yours,

(s) J. MILLARD TAWES,
Governor.
