

Commission, and any restraint or hindrance offered to such entry by any owner or tenant, or agent of said owner or tenant, or any other person, shall be a misdemeanor punishable under Section 669 of this sub-title.

668. All individuals, firms, or corporations having buildings, conduits, pipes, tracks, poles or other structures or obstructions in, on, over, under or through any public road, street or alley of any sanitary district, which shall block or impede the construction and establishment of the [Commission's] *District's* water [supply,] or sewerage [or drainage] systems, or other works, shall upon reasonable notice from the Commission, promptly so shift, adjust, accommodate or remove such structure or obstructions as to fully meet the exigencies occasioning such action; provided, however, that the costs of such changes shall be borne and paid for by the [Commission] *District*. Every public service corporation, company or individual before it or they shall begin any excavation or construction in any street, road, alley or public highway within any sanitary district shall file with the Commission plans of such work and construction showing the location and depth in such street, road, alley or public highway, of the proposed main, conduit, pole, pipe or other structure, and such construction or work shall not be begun until said plan shall have been approved by the Commission, nor shall any change be made in said approved plan or in the work or construction as shown upon said *plan* except on further approval of the Commission. Whenever any main, conduit, pole, pipe or other structure is put in without the filing of plans with the Commission and the approval thereof by it, or when any change is made in the location of such main, conduit, pipe, pole or other structure as shown upon the plans approved by the Commission or any approved change therein, the [Commission] *District* may, if and when such conduit, main, pipe, or pole, or other structure, interferes with the construction of or operation of its water or sewage system, or other works, remove such conduit, main, pipe, pole or other structures or change the location thereof at the cost and expense of the party so putting them in, or their heirs, assigns or successors, and without any liability upon the part of the [Commission] *District* for damage that might be done to the same by reason of the [Commission's] *District's* operations in constructing or maintaining its systems or works. Any violation of the provisions of this section shall be a misdemeanor punishable under Section 669 of this sub-title.

669. Every act or omission designated as a misdemeanor in this sub-title, unless otherwise provided, shall be punishable by any trial magistrate or the Circuit Court of the county within which such offense is committed, and the offender shall, upon conviction, be subject to a fine of not exceeding One Hundred Dollars (\$100.00) or to confinement for not more than thirty (30) days in the county jail, or both, in the discretion of the magistrate or Circuit Court. Where such act or omission is of a continuing nature and is persisted in, in violation of the provisions of this sub-title or of any rule or regulation formulated thereunder, a conviction for one offense shall not be a bar to the conviction for a continuation of such offense subsequent to the first or any succeeding conviction.

670. The Commission shall be, and it is hereby authorized to prescribe all needful rules and regulations for the administration and enforcement of this sub-title.
