

cent by weight of stabilizer or emulsifier composed of wholesome edible material. The finished product shall contain not less than seventeen (17%) per cent by weight of total food solids.

This confection must be manufactured in the form of servings, individually packaged, bagged or otherwise wrapped, properly labeled and purveyed to the consumer in its original factory-filled package.

In the production of these quiescently frozen confections, no processing or mixing prior to the quiescent freezing shall be used that develops in the finished confection mix any physical expansion in excess of ten (10%) per cent.

(j) "Quiescently Frozen Dairy Confections" mean a clean and wholesome frozen product made from water, milk products and sugar, with added pure or imitation flavoring, with or without added harmless coloring, with or without added stabilizer and with or without added emulsifier; and in the manufacture of which freezing has not been accompanied by stirring or agitation. It contains not less than thirteen (13%) per cent by weight of total milk solids, not less than thirty-three (33%) per cent by weight of total food solids, not more than one half of ($\frac{1}{2}$) one per cent by weight of stabilizer, and not more than one-fifth ($\frac{1}{5}$) per cent of weight by emulsifier. Stabilizer and emulsifier must be composed of wholesome, edible material.

This confection must be manufactured in the form of servings, individually packaged, bagged or otherwise wrapped, properly labeled, and purveyed to the consumer in its original factory filled package.

In the production of these quiescently frozen confections, no processing or mixing prior to quiescent freezing shall be used that develops in the finished confection mix any physical expansion in excess of ten (10%) per cent.

193.

(a) Imitation ice cream shall not be sold, possessed, advertised or offered or exposed for sale by anyone at any time.

No person shall advertise, possess, or expose for sale, or offer for sale, any frozen or partially frozen product or compound made wholly or partly out of milk, cream (with or without added milk solids or added milk fats), sweetening agent, flavoring, with or without coloring, or eggs, if it shall contain any fat, oils, or paraffin, other than milk fat, except such fat or oils as are naturally contained in the flavor used.

Frozen dairy foods and ices mean any or all of the following: Ice cream, frozen custard, sherbet, water or fruit ice, [frozen ice confections and frozen sherbet confections] and quiescently frozen confections and quiescently frozen dairy confections. AND ICE MILK. Frozen dairy foods and ices mix means the mix used in the freezing of the above mentioned frozen foods and ices.

SEC. 2. *And be it further enacted, That this Act shall take effect June 1, 1961.*

Approved May 3, 1961.
