

other evidences of indebtedness or obligations, *whether secured by a pledge of the full faith and credit of the County or payable solely from the revenues of any water system or sewerage system, as herein defined*, which [each] said District is authorized to issue pursuant to [Section 536] Sections 534 and 535 of this sub-title.

(e) The term ["governing body"] County [as applied to any county] shall mean [the body or Board authorized by law to enact ordinances or adopt resolutions for the particular County] *the political subdivision of this State, known as the County Commissioners of Washington County and, where appropriate to the context, the elected Board of County Commissioners thereof.*

(f) The term "water system" shall mean and include, *with respect to any subdistrict established under this sub-title*, all plants, systems, facilities or properties used or useful or having the present capacity for future use in connection with the supply or distribution of water and any integral part thereof, including water supply systems, water distribution systems, reservoirs, dams, wells, intakes, mains, laterals, pumping stations, standpipes, filtration plants, purification plants, hydrants, meters, valves, [and] equipment and appurtenances, and all properties, rights, easements and franchises relating thereto and deemed necessary or convenient by the District for the operation thereof, *and including any part of any of the foregoing outside a sub-district but connected to and necessary for the operation of a water system therein.*

(g) The term "sewerage system" shall mean and shall include, *with respect to any subdistrict established under this sub-title*, all plants, systems, facilities or properties used or useful or having the present capacity for future use in connection with the collection, carrying away, treating, neutralizing, stabilizing or disposal of *domestic sewage, commercial, industrial and other wastes [or other wastes]*, and any integral part [thereof] of said systems, including sewage treatment plants, disposal fields, lagoons, pumping stations, [drainage ditches, surface water, intercepting ditches,] outfall sewers, trunk sewers, intercepting sewers, lateral sewers, force mains, pipes, pipe lines, conduits, equipment, appurtenances, and all properties, rights, easements and franchises relating thereto and deemed necessary or convenient by the District for the operation thereof, *and including any part of any of the foregoing outside a subdistrict but connected to and necessary for the operation of a sewer system therein.*

(h) The term "surface water drainage system" shall mean and include, *with respect to any subdistrict established under this sub-title*, pipes, pipe lines, inlets, outfall lines, surface water drainage ditches and intercepting ditches and all equipment, appurtenances, properties, rights, easements and franchises relating thereto and deemed necessary or convenient by the District for the carrying off and disposal of storm or surface waters.

[(h)] (i) The term "sewage" shall mean the [water carried] *water-carried wastes created in and carried, or to be carried, away from residences, hotels, schools, hospitals, industrial establishments, commercial establishments or any other private or public building, together with such household and industrial wastes as may be present.*

[(i)] (j) The word "improvements" shall mean such construction, erection, repairs, replacements, additions, extensions and betterments
