

and paid over in the manner following, that is to say, at least sixty days before the tax levying period of each year, the governing body shall certify to the Commission the whole valuation of the assessable property within each sanitary district. The Commission shall then determine in the manner above prescribed the amount which it deems necessary to be raised during the ensuing year for the payment of interest and principal of all bonds maturing in said year, and after deducting all amounts in hand or in contemplation applicable to payments of interest and principal on said bonds as hereinbefore and hereinafter in this sub-title provided, it shall determine the number of cents per \$100.00 necessary to raise the said amount for each such sanitary district and shall certify the same to the governing body. The said governing body in their next annual levy shall levy said tax on all land and improvements and all other property assessed for county tax purposes within the respective sanitary district, which tax shall be levied and collected and have the same priority rights, bear the same interest and penalties and in every respect be treated the same as county taxes. The tax so levied for the ensuing year shall be collected by the respective tax collecting authorities and every sixty days they shall remit the whole amount of the tax so collected to the Commission. From the money so received, together with the amount in hand to the credit of said bond fund, the Commission shall first pay all interest and principal on said bonds as the same become due, and shall then deposit the residue of said moneys in some bank or banks in the County where said district is located to the joint credit of the county and the Commission. The Commission is authorized to pay the interest on any bonds it may issue out of the proceeds of the sale of said bonds, but not more than one year's interest may be so expended.】

*(a) In order to provide the District with funds to pay, in whole or in part, the cost of any project or projects in a sub-district or to pay, in whole or in part, the maturing principal of or interest on any bonds issued by the District, pursuant to Section 534 of this sub-title, for a project or projects in such sub-district, the County shall, when requested by the Commission, levy annually upon all property subject to unlimited County taxation in such sub-district an ad valorem tax in rate and amount sufficient to provide such funds as may be needed by the Commission for either or both of the foregoing purposes, the annual rate of any such ad valorem tax to be determined, from year to year, in the following manner.*

*(i) At least sixty days before the beginning of each fiscal year of the County, the County Treasurer shall certify to the Commission the amount of all uncollected assessments, charges or taxes, whether or not delinquent, imposed or levied in the sub-district, which he estimates he will be able to collect in the current or in the next ensuing fiscal year of the County;*

*(ii) The Commission shall then determine and estimate the amounts needed for expenditure on either or both of the foregoing purposes and the total of the amounts available for such expenditure which are on hand or which it may anticipate collecting to meet such expenditure from special benefit assessments, water service charges, sewer service charges, assessments in aid of construction, uncollected accounts reported pursuant to sub-paragraph (i) above, or from any other source;*
