

SEC. 10. *And be it further enacted*, That Section 545 of the Code of Public Local Laws of Washington County (1957 Edition), being Article 22 of the Code of Public Local Laws of Maryland, title "Washington County", sub-title "Sanitary Districts" as said Section was enacted by Chapter 694 of the Laws of Maryland of 1957, be, and the same is hereby, repealed and re-enacted with amendments to read as follows:

545. **[Ready to serve charge on water; upkeep of sewers.]** *Sewer Service Charges.*

[For the purpose of providing for maintenance, repairing and operating its water supply, sewerage or drainage systems, and for its operation and other expenses, including proper depreciation allowances, and for interest on, and the retirement of bonds as specified in this sub-title, the Commission is hereby empowered to make a ready-to-serve charge on water and a charge for the upkeep of sewers chargeable against all properties having a connection with any water pipe or sewer pipe under its supervision or ownership. Said rate for both ready-to-serve and such charge for the upkeep on sewers shall be uniform throughout such sanitary district, subject to such changes from time to time as may be necessary. The charge for the upkeep on sewers shall be reasonable and collected annually in the same manner as benefit assessments are collected and shall be a first lien against all property having a connection with any sewer pipe under its supervision or ownership. The rates for water service shall consist of a minimum or ready-to-serve charge, which shall be based upon the size of the meter on the water connection leading to the property, and of a charge for water used, which shall be based upon the amount of water passing through the meter during the period between the last two readings, said meter being required to be placed on each water connection by and at the sole expense of the Commission. If the Commission at any time shall not have meters available to install in all the properties in a given locality that are connected to the system, then a flat rate shall be charged all properties in which meters have not yet been installed, which rate shall be uniform in each sanitary district and based upon the amount of water used. Bills for the amount of the charges as above specified shall be sent quarterly or semi-annually as the Commission may determine, to each property served, and shall be thereon payable at the office of the Commission; and if any bill remains unpaid after thirty days from date of sending, the Commission shall, after written notice left upon the premises or mailed to the last known address of the owner, turn off water from the property in question, and the water shall not be turned on again until said bill shall have been paid, including a penalty of Two Dollars (\$2.00). If any bill shall remain unpaid for sixty days after being sent by the Commission, it shall be collectible from the owner of the property served in the same manner as other debts are collectible in the municipality and said ready-to-serve charge, other service charges and all penalties shall be a first lien against said property.]

The District is hereby authorized and empowered to fix and collect, and from time to time revise, alter or amend schedules of rates or charges for sewage collected and disposed of by the District through any sewerage system in a sub-district owned or operated by the District. Said rates or charges shall be known as sewer service charges and, as in the case of water rates or charges, all properties connected
