

willing to properly perform his work and/or it becomes necessary to take action upon his bond filed as aforesaid.

(b). All journeymen plumbers working in Queen Anne's County, whether residents of said County or not, must obtain a County license each year at an annual cost of One Dollar (\$1.00).

321A (a). Appliances such as automatic washers, combination washers and dryers, disposals, hot water heaters and dishwashers must be installed by a master plumber or an appliance dealer or employee thereof, or other person duly licensed by the County Plumbing Board to make such installations EXCEPT THAT NO SUCH PERSON OR LICENSING IS REQUIRED FOR REPLACEMENT OF AN OLD APPLIANCE WITH A NEW MODEL OR A SIMILAR APPLIANCE. Any appliance dealer or employee thereof or any other person, not a master plumber, desiring to make installation of appliances in Queen Anne's County as aforesaid must make an application to the County Plumbing Board for a special County license. Said application must be accompanied by a fee of Ten Dollars (\$10.00) and a performance bond in the amount of Two Thousand Dollars (\$2,000.00), conditioned upon the said applicant's proper installation of all appliances. Said bond shall be in such form as shall be prescribed by the County Plumbing Board. The license shall be issued for a period of one (1) year, but may be refused or revoked by the Plumbing Board in the event it is shown that said licensee is either unable or unwilling to properly perform his work and/or it becomes necessary to take action upon his bond filed as aforesaid.

(b). The Queen Anne's County Plumbing Board is hereby authorized and empowered to require said applicant for an appliance installation license to pass such an examination (written or practical) as said Board deems appropriate.

(c). The standard of plumbing work involved in installing appliances must conform to the Plumbing Code approved by the Maryland State Board of Commissioners of Practical Plumbing and with the regulations of the State Board of Health.

321B (a). No person shall install an appliance in Queen Anne's County or undertake the installation of any appliances in Queen Anne's County OTHER THAN THE REPLACEMENT OF AN OLD APPLIANCE WITH A NEW MODEL OR A SIMILAR APPLIANCE which affects or connects with any water supply, sewage disposal or plumbing system without first having obtained a permit from the County Commissioners of Queen Anne's County as hereinafter provided.

(b). The applicants for said appliance permits shall be required to give the location of the property, name of the owner of the property, the name and number of the appliance, showing drawing of existing water supply and of existing sewer, number of fixtures and appliances already installed and how this appliance will be connected to the present water and/or sewer system. Upon approval of said application by the County Health Officer or County Plumbing Inspector, said permit shall be issued by the County Commissioners of Queen Anne's County at a cost of One Dollar (\$1.00) per installation.
