The planning body shall submit its written recommendation with respect to the proposed urban renewal plan to the municipality within sixty days after receipt of the plan of review; upon receipt of the recommendations of the planning body or, if no recommendations are received within said sixty days, then without such recommendations, the municipality may proceed with a public hearing on the proposed urban renewal project. The municipality shall hold a public hearing on an urban renewal project after public notice thereof by publication in a newspaper having a general circulation within the corporate limits of the municipality. The notice shall describe the time, date, place and purpose of the hearing, shall generally identify the urban renewal area covered by the plan, and shall outline the general scope of the urban renewal project under consideration. Following such hearing, the municipality may approve an urban renewal project and the plan therefor if it finds that: (1) a feasible method exists for the location of any families who will be displaced from the urban renewal area in decent, safe and sanitary dwelling accommodations within their means and without undue hardship to such families; (2) the urban renewal plan substantially conforms to the master plan of the municipality as a whole; and (3) the urban renewal plan will afford maximum opportunity, consistent with the sound needs of the municipality as a whole, for the rehabilitation or redevelopment of the urban renewal area by private enterprise.

An urban renewal plan may be modified at any time, provided that if modified after the lease or sale of property in the urban renewal project area, the modification may be conditioned upon such approval of the owner, lessee or successor in interest as the municipality may deem advisable and in any event shall be subject to such rights at law or in equity as a lessee or purchaser, or his successor or successors in interest, may be entitled to assert. Where the proposed modification will substantially change the urban renewal plan as previously approved by the municipality, the modification shall be formally approved by the municipality, as in the case of an original plan.

Upon the approval by the municipality of an urban renewal plan or of any modification thereof, such plan or modification shall be deemed to be in full force and effect for the respective urban renewal area and the municipality may then cause such plan or modification to be carried out in accordance with its terms.
