

WHEREAS, present office space and facilities in Cecil County are grossly overcrowded and inadequate and are deteriorating at a rapid rate; and

WHEREAS, it is recognized that the mere construction of additional office facilities on a piecemeal and haphazard basis would not constitute a desirable solution to the problem. A comprehensive, long-range plan for capital improvements relative to county office space and facilities, parking facilities in connection therewith, and urban renewal in such areas is the most desirable manner in which to attack and solve this problem; now, therefore, be it

*Resolved by the General Assembly of Maryland, That a Commission be appointed to investigate, study and consider the overcrowded, inadequate and rapidly deteriorating county office space and facilities in Cecil County and to formulate recommendations and suggestions for a long-range capital improvement program, embracing the construction and improvement of county office space and facilities, parking facilities in connection therewith and urban renewal in the areas surrounding such county office facilities; and be it further*

*Resolved, That a Commission be appointed, to perform the aforesaid functions, by the State Senator from Cecil County, to be composed of eight members; one to be appointed from the Cecil County Board of Health, one from the Cecil County Board of Education, one from the Cecil County Welfare Board, one to be the County Treasurer, one County Commissioner, one from the Cecil County legislative delegation, one member of the Town Council of Elkton and one person representing a financial institution in Cecil County; and be it further*

*Resolved, That said Commission be requested to submit a report of its study, investigation, recommendations and suggestions to the General Assembly of Maryland at its 1963 Session; and be it further*

*Resolved, That the Secretary of State send a copy of this Resolution to the County Commissioners of Cecil County.*

Approved May 3, 1961.
