No. 42

(House Joint Resolution 61)

House Joint Resolution to express appreciation to the members of the Case Committee and the Kirkman Committee for their work in the development of an administrative and financial structure for public health services, and to direct that the Fiscal Research Bureau give further study to this problem and develop an acceptable formula for the financing of comprehensive public health services in Maryland.

WHEREAS, the General Assembly of Maryland received a report of the Subcommittee to Review the Financing of Maryland Health Activities in 1955, which is generally referred to as the Case Report and which incorporated a formula for the financing of community health services, generally referred to as the Case Formula; and

WHEREAS, the financing of community health services has been operating within the framework of the Case Report and Formula since July 1, 1956; and

WHEREAS, the components of the Case Formula have proven by experience to operate in such a manner that the formula does not provide an equitable structure for the sharing of costs among the State and its political subdivisions, particularly in its insensibility to the varying public health needs of the sub-divisions with relation to their actual ability to pay; and

WHEREAS, the General Assembly in response to a Joint Resolution at the 1958 Session has received the report of the Subcommittee on Policies and Financing of Maryland's Medical and Hospital Programs, generally called the Kirkman Report; and

WHEREAS, the 1961 Session of the General Assembly has received the report of the Committee on Taxation and Fiscal Matters of the Legislative Council in which adequate justification is set forth to indicate that the Kirkman Report should not be implemented by use of the Case Formula; and
