

WHEREAS, the lack of facilities for medical and psychiatric diagnosis, therapy and rehabilitation, and the lack of provision for continued use of drugs under controlled circumstances by individuals who have failed in attempted treatment, leads directly to acts of violence, illegal drug traffic and an increase in crime; now therefore be it

Resolved by the General Assembly of Maryland, that the United States Public Health Service be requested to make provision for a special study to provide for the ambulatory diagnosis, treatment and rehabilitation of narcotic addicts, including a demonstration project for a field trial in a selected area of the State to be conducted by the State Department of Health in collaboration with the Department of Mental Hygiene; and be it further

Resolved, that the Secretary of State be directed to send a copy of this Joint Resolution under the Great Seal of the State of Maryland, to the Secretary of Health, Education and Welfare; the Surgeon General, U. S. Public Health Service; and each member of the Maryland Delegation in the Congress of the United States; and be it further

Resolved, that the Department of Health report progress on this matter to the 1962 Session of the General Assembly.

No. 51

(Senate Joint Resolution 34)

Senate Joint Resolution proposing the reestablishment of the north-south boundary line between Maryland and Delaware and also the issue of commemorative stamps on the occasion of the bicentennial anniversary of the Mason and Dixon Surveys.

WHEREAS, the north-south line between Maryland and Delaware, like the Maryland-Pennsylvania boundary, was surveyed and marked at one-mile intervals by Charles Mason and Jeremiah Dixon during the years 1763 to 1767 when Delaware was still a part of Pennsylvania; and,

WHEREAS, the Mason and Dixon markers on the north-south line between Maryland and Delaware have been completely neglected for nearly two centuries and many markers have been displaced, broken or otherwise damaged; and,

WHEREAS, the 84th Congress passed an act (P.L. 342) directing the U.S. Coast and Geodetic Survey to reestablish the north-south line between Maryland and Delaware but failed to provide funds for that purpose; and
