

would have to be made for terms of less than eight years, and the Bill does not provide the machinery and procedure for such appointments.

I have been advised by the Attorney General's office that, although the Bill meets the necessary legal requirements, as to form, it should be vetoed since it is impossible to comply with its language.

House Bill No. 457—Outside Mirrors on Motor Vehicles

AN ACT to add new Section 295A to Article 66 $\frac{1}{2}$ of the Annotated Code of Maryland (1957 Edition), title "Motor Vehicles", subtitle "Operation of Vehicles Upon Highways", to follow immediately after Section 295 thereof, to require new motor vehicles in this State to be equipped with an outside mirror.

May 4, 1961.

The Honorable Perry O. Wilkinson
Speaker of the House
State House
Annapolis, Maryland

Dear Mr. Speaker:

In accordance with Article II, Section 17 of the Maryland Constitution, I am returning to you House Bill No. 457 which has been vetoed by me.

This Bill would require every vehicle registered and sold in this State as a new vehicle after June 1, 1961, to be equipped with an outside mirror on the operator's side of the vehicle.

Although I am in sympathy with the intended purpose of the Bill, as a traffic safety measure, the requirement contained therein has far-reaching ramifications which, in my opinion, require further study before such a requirement should be enacted into law.

Accordingly, I feel compelled to veto this Bill, with the recommendation, however, that the matter be referred to the Legislative Council for study and consideration.

With kindest personal regards and best wishes, I am

Sincerely yours,

(s) J. MILLARD TAWES,
Governor.
