

aforesaid levy only for the purposes of participation by the State in this incentive fund, provided, however, that such additional amounts as may be made available under the provisions of this section shall be expended solely for school building construction, school facilities, and school land which will have been contracted for after June 1, 1955.

*222A. Special incentive provision for growing school systems.*

*In addition to the provisions in Section 222 for the appropriation of State funds, there shall be included in the State Budget Bill each year an extra appropriation to increase State support of school construction in the several political subdivisions in which school population is increasing, as in this section provided. In each county and Baltimore City, there shall be computed the number of pupils enrolled (meaning for the purposes of this section the average number of pupils enrolled in public schools in the month having the highest average pupil enrollment) for the first and second next previous school years. For each pupil by which the number of pupils enrolled for the first next previous school year may exceed the number of pupils enrolled for the second next previous school year, in each political subdivision respectively, the sum of seventy dollars (\$70.00) shall be placed in the Budget Bill, for appropriation to the respective political subdivisions. These payments shall be from the general funds of the State, and they shall be made in general conformity to the procedural provisions in Section 222 (7) of this sub-title.*
