CHAPTER 415

(Senate Bill 452)

AN ACT to add new Section 68A to Article 24 of the Code of Public Local Laws of Maryland (1930 Edition), title "Worcester County", sub-title "County Commissioners", to follow immediately after Section 68 thereof, authorizing the county commissioners of Worcester County to request the Army Corps of Engineers to study certain problems of beach erosion in said county and relating generally to the power of the commissioners with respect to any such project and to the payment of the costs thereof.

SECTION 1. *Be it enacted by the General Assembly of Maryland*, That new Section 68A be and it is hereby added to the Code of Public Local Laws of Maryland (1930 Edition), title "Worcester County", sub-title "County Commissioners", to follow immediately after Section 68 thereof, and to read as follows:

68A.

The county commissioners of Worcester County may request the Army Corps of Engineers of the United States government to study problems of beach erosion along that portion of Worcester County which fronts upon the Atlantic Ocean between the Virginia and the Delaware state lines. The commissioners also may enter into any cooperative project or projects for beach erosion control in that area; and may levy for and appropriate, from the general funds of the county, monies necessary to pay the county's share of any such beach erosion control project or projects. This authorization is made with reference to the beach erosion control program under Public Law 727, 1946, of the United States; and the county commissioners may do such things as are necessary and proper for a cooperating agency, under that program.
