

include, among other things, such items as (1) the location of lands which are to be acquired, either in fee or by easement, for the purposes of this sub-title; (2) the public uses proposed to be made of said lands for the purposes of this sub-title including, but not limited to, the location, arrangement, character, and extent of roadways, waterways, waterfronts, beaches, docks and wharves, parks, forest preserves, public recreational areas, wildlife refuges, natural scenery and open spaces.

411C. *The County Commissioners, or their duly designated agencies, may, from time to time, adopt a part or parts of the said Patuxent River Watershed Plan in their respective counties, any such part to cover one or more sections of the Patuxent River Watershed within their respective counties or one or more of the aforesaid or other functional subjects-matter to be included in the plan. Before adopting the plan or any part thereof or any extension or amendment thereof or addition thereto, the County Commissioners, or their duly designated agency, shall hold at least one public hearing thereon, thirty (30) days notice of the time and place of which shall be given by one publication in a newspaper or newspapers of general circulation in the county or counties affected thereby. The adoption of the plan or any part thereof or amendment, or extension or addition thereto shall be by resolution of the County Commissioners, or their duly designated agency, carried by the affirmative votes of not less than a majority of the County Commissioners, or their duly designated agency. The resolution shall refer expressly to the maps and descriptive and other matter intended by the County Commissioners, or their duly designated agency, to form the whole or part of the plan, and the action taken shall be recorded on the map, plan, or descriptive matter by the identifying signatures of the President or Chairman and the Secretary. An attested copy of the plan or any part thereof or any amendment or extension or addition thereto shall be certified by the respective County Commissioners, or their duly designated agency, to and filed with the Clerk of the Circuit Court for the county affected thereby.*

411D. *For the purpose of carrying out the recommendations shown on the Patuxent River Watershed Plan, or any part thereof, each county, through its County Commissioners or duly designated agency, acting in cooperation with the Department of Forests and Parks, as hereinafter provided for, has the power to acquire land or other property, either in fee or by easement, located within the area of said county shown, and for the public purposes delineated, on said Plan, by means of donations, purchases or condemnation. The respective County Commissioners, or their duly designated agencies, have the power to improve and develop land or other property so acquired by it for said purposes and have control of the maintenance and operation thereof.*

411E. *For the purpose of financing or assisting in the financing of the acquisition of land or other property for the purposes shown on the Patuxent River Watershed Plan, or for the improvement or development of the same, the County Commissioners, or their duly designated agencies, may receive and expend any contributions, donations or appropriations which may be made for such purposes or any of them by the United States or by the State of Maryland or by any other political community or by any private person.*
