CHAPTER 78

(Senate Bill 56)

AN ACT to repeal and re-enact with amendments Sections 455 and 465 of Article 10 of the Code of Public Local Laws of Maryland (1930 Edition), title "Dorchester County", sub-title "Roads", amending the local laws of Dorchester County concerning the county road engineer, with particular reference to his annual report on work done for the year, and to his schedule of work to be performed.

SECTION 1. *Be it enacted by the General Assembly of Maryland*, That Sections 455 and 465 of Article 10 of the Code of Public Local Laws of Maryland (1930 Edition), title "Dorchester County", sub-title "Roads", be and they are hereby repealed and re-enacted with amendments to read as follows:

455. The County Road Engineer shall reside in Dorchester County during the term of his office, and shall have charge, control and supervision of the working, repairing and construction of the public roads and bridges in said county, and shall make all the specifications for the building of new roads and bridges, and shall see that no obstruction, hindrance or injury is or shall be permitted upon any road or bridge under his supervision. He shall have charge and control of all teams, carts, wagons, machinery, implements and accessories which may be purchased or provided by the County Commissioners for the purpose of this [Act] *sub-title*; and shall employ such labor, teams and implements as may be by him and the County Commissioners deemed necessary in connection with work on public roads and bridges to be paid for by the County Commissioners. He shall not work out or expend upon the roads and bridges of said county a greater amount in any one fiscal year than the amount levied by the County Commissioners for this purpose without obtaining the written permission of said County Commissioners. He shall appear before the Commissioners at the first meeting in each and every month, and make a statement to them of the work done and money expended. He shall examine and certify to the correctness of all bills and accounts for any work done or materials furnished for any of the public roads or bridges in Dorchester County before the same shall be paid by the County Commissioners; and the said County Commissioners shall make no payment until such accounts have been certified by said engineer. He shall make out annually in writing, a detailed report of all work done on the county roads and bridges for the year, together with the names of all persons working on said roads and bridges, and the amount to which each person is entitled for such work, and which he has certified as correct, which report shall be made on or before the 15th day of [May] *January* for the
