Mr. Allen

Total—1

When the name of Mr. Allen was called, he delivered the following address:

“In explanation of my vote on House Bill No. 450, I desire to say that I vote against the Bill for the reason that I refused to be a party to any increase in the salary of a number of magistrates in Baltimore county who requested an increase, and should I advocate the increase of one, in fairness I should advocate the increase of all. In doing so, I do not wish to reflect upon the ability of the present appointee as police magistrate at Canton. I believe he is a man of high character, and one who will fill the position with general satisfaction. I had reported the Bill with an amendment to have the salary remain at \$1,200 instead of \$1,800 per year, as the Bill provides, but upon being informed that Judge Williams would resign in that event, and believing that he would fill the place in the interest of the community generally, I have withdrawn the amendment, and leave the responsibility upon those who vote for the Bill. I, under these circumstances, must vote ‘No.’”

[Said Bill was then returned to the House of Delegates.]
