

remaining ten thousand dollars or balance of the twenty thousand dollars above (and out of the amount) levied, upon the total assessable property of the county a pro rata disbursement shall be made of the said fund apportioned to each of the nine election districts of Charles county in proportion to the assessed value of the property assessed for taxable purposes in each of said several districts, and the money so levied against the respective election districts shall be used only in payment for the construction, reconstruction and maintenance of roads and bridges now in existence and for the costs of acquiring rights of way, constructing, reconstructing and maintaining new roads and bridges ordered under the provisions of law for the opening of new roads (and in addition to the amount of levy, authorized as aforesaid, the County Commissioners of Charles county shall use for the purpose of constructing, reconstructing, opening and maintaining roads all of the money obtained by them for liquor licenses under the provisions of Section 116-A, as enacted by Chapter 707 of the Acts of Assembly of Maryland of 1906, the same being Section 116-A of Article 9 of the Code of Public Local Laws, title "Charles County," sub-title "Spirituuous and Fermented Liquors." And the said County Commissioners of Charles county shall apportion, respectively, to each of the nine election districts of the county the amount of money received from liquor licenses in each district to be used exclusively in the district from which the same shall be or shall have been received for the purpose of this law, in the event that the amount of levy hereinbefore provided for, in addition to the sums received from liquor licenses shall be in excess of the needs and requirements for the construction, reconstruction, opening and maintaining of the roads for the county as aforesaid, the excess shall be retained in the treasury of the county and be used by the County Commissioners of said county for other county expenses. The application of any such excess to be made by the County Commissioners in their discretion either in payment of current expenses or as a credit to be used in the payment of bonded indebtedness or for sinking fund purposes upon any bonded obligation of the county). No expenses for traveling purposes of any kind shall be allowed to said engineer except to the extent that he may be ordered to go out of the county, and then only for such expenditures as may upon proper vouchers be approved and ordered by a vote of the County Commissioners entered upon the minutes of the said Board, not to exceed the sum of one hundred dollars, in any one year. And it is further provided that the limitation
