Amendments proposed by Mr. Allen, by request:

No. 1—"Amend Section 9 of the Bill as printed for the third reading by adding thereto the following: 'And provided further that nothing herein shall be construed to give authority to construct or establish any sewerage system involving the discharge of sewage, unless the same shall have been purified by treatment in a settling or sterilizing plant, or some other system, adequate for the purpose, as distinguished from storm-water or ground drainage, into the Chesapeake Bay or any of its tributaries, or into any stream, which runs into Baltimore city.'"   [*Which was read and adopted.*]

No. 2—"Amend Section 10 of the Bill, as printed for the third reading, by adding thereto the following: 'Provided, however, that nothing herein shall be construed to repeal, alter, or amend any law existing prior to the passage of this Act, relating to the construction, operation or maintenance of a sewerage system for Baltimore city.'"   [*Which was read and adopted.*] [*Which favorable report was adopted, which was read the second time.*]

Mr. Jones, from Select Committee, reported favorably
