

STATEMENT C.

STATEMENT C.

STATEMENT B.

Showing the total amounts received by the Pilots' Association from all sources, during the fourteen months ending February 1st, 1858.

Gross amount received from pilotage, - - -	\$34,398 75
Incidental earnings, - - - - -	2,127 75
From vessels for failure to renew their license, - - -	1,228 00
Fines from Pilots for failing or refusing to take their turns on vessels, - - - - -	180 00

\$37,934 50

The above gives an average per month of \$2,709 50, which, divided among seventy-nine Pilots, the average number per month who received dividends from the Pilots' Association, gives the sum of \$34 29 per month per man.

The above is exclusive of the amount received from licences.
