

either of the last two, of the five fiscal years next preceding the date of acquisition by such insurer, the net earnings of the issuing, assuming or guaranteeing institution available for its fixed charges, as hereinafter defined, shall have been not less than one and one-quarter times the total of its fixed charges for such year, or obligations which, at the date of acquisition by such insurer, are adequately secured and have investment qualities and characteristics wherein the speculative elements are not predominant. In determining the adequacy of collateral security, not more than one-third of the total value of such required collateral shall consist of stock other than stock meeting the requirements of subdivision (3).

(ii) Fixed interest-bearing obligations, other than those described in paragraph (i) if the net earnings of the issuing, assuming or guaranteeing institution available for its fixed charges for a period of five fiscal years next preceding the date of acquisition by such insurer shall have averaged per year not less than one and one-half times its average annual fixed charges applicable to such period and if during the last year of such period such net earnings shall have been not less than one and one-half times its fixed charges for such year.

(iii) Adjustment, income or other contingent interest obligations if the net earnings of the issuing, assuming or guaranteeing institution available for its fixed charges for a period of five fiscal years next preceding the date of acquisition by such insurer shall have averaged per year not less than one and one-half times the sum of its average annual fixed charges and its average annual maximum contingent interest applicable to such period and if during each of the last two years of such period such net earnings shall have been not less than one and one-half times the sum of its fixed charges and maximum contingent interest for such year.

Within the meaning of this section the term "obligation" shall include bonds, debentures, notes or other evidences of indebtedness; the term "institution" shall include a corporation, a joint stock association and a business trust. The term "net earnings available for fixed charges" shall mean net income after deducting operating and maintenance expenses, taxes other than federal and State income taxes, depreciation and depletion, but excluding extraordinary non-recurring items of income or expense appearing in the regular financial statements of the issuing, assuming or guaranteeing institutions. The term "fixed charges" shall include interest on funded and unfunded debt amortization of debt discount, and rentals for leased properties. If net earnings are determined in reliance upon consolidated earnings statements of parent and subsidiary institutions, such net earnings shall be determined after provision for income taxes of subsidiaries and after proper allowance for minority stock interest, if any; and the required coverage of fixed charges shall be computed on a basis including fixed charges and preferred dividends of subsidiaries other than those payable by such subsidiaries to the parent corporation or to any other of such subsidiaries, except that if the minority common stock interest in the subsidiary corporation is substantial, the fixed charges and preferred dividends may be apportioned in accordance with regulations prescribed by the Commissioner.

In applying the earnings tests under this section to any issuing,
