

*the same contrasting background, and in addition shall label thereon "intended for use in carbohydrate restricted diets only" and in capital letters "Not Low Calorie" INTENDED FOR DIABETICS UNDER MEDICAL ADVICE and any other warning statement which the State Department of Health may prescribe. The label shall also contain a statement in terms of percentage by weight of protein, fat and carbohydrates, the total number of calories per ounce, the number of calories contributed by carbohydrates and any carbohydrates other than lactose, and the name of each ingredient entering into the composition other than flavors. The artificially sweetened ice cream shall not be sold in any quantity or in any manner other than in a sealed or unbroken pint package or container.*

(g)

(i) "Stabilizers" or emulsifiers are pure edible gelatins or vegetable gums or any other wholesome edible materials and in such amounts as may be approved by the State Board of Health.

(ii) "Artificial sweetener" is a pure edible product which is made synthetically and has no caloric value. Provided, that nothing contained in this definition shall be construed as barring any artificial sweetener other than those mentioned in this law, which has been demonstrated to be equally as efficient and which has been approved by the State Health Authority.

(h) "Imitation ice cream" is any frozen substance, mixture or compound regardless of the name under which it is represented, which is made in imitation or semblance of ice cream, or is prepared or frozen as ice cream is customarily prepared of frozen, and which is not ice cream, *artificially sweetened ice cream*, ice milk, frozen custard, sherbet, water ice or fruit ice or quiescently frozen confections and quiescently frozen dairy confections as they are defined in this section.

193.

(a) Imitation ice cream shall not be sold, possessed, advertised or offered or exposed for sale by anyone at any time.

No person shall advertise, possess, or expose for sale, or offer for sale, any frozen or partially frozen product or compound made wholly or partly out of milk, cream (with or without added milk solids or added milk fats), sweetening agent, flavoring, with or without coloring, or eggs, if it shall contain any fat, oils, or paraffin, other than milk fat, except such fat or oils as are naturally contained in the flavor used.

Frozen dairy foods and ices mean any or all of the following: Ice cream, *artificially sweetened ice cream*, frozen custard, sherbet, water or fruit ice, and quiescently frozen confections and quiescently frozen dairy confections and ice milk. Frozen dairy foods and ices mix mean the mix used in the freezing of the above-mentioned frozen foods and ices.

SEC. 2. *And be it further enacted*, That this Act shall take effect September 1, 1963.

Approved April 30, 1963.
