

Vehicles”, sub-title “Operation of Vehicles Upon Highways”, to follow immediately after Section 187C thereof, and to read as follows:

187D. The County Commissioners of Cecil County by rule or regulation may designate any of the roads and streets under their jurisdiction as “truck routes” for use by trucks and other vehicles of specified weight and/or size, and may exclude trucks and other vehicles of specified weight and/or size from any other designated county roads and streets. The commissioners shall, after adoption of any such rules or regulations, cause to be placed and maintained in conspicuous places along such roads and streets, signs describing the provisions applicable thereto, and no such rules or regulations shall become effective until such signs have been erected. The commissioners may prescribe such penalties not to exceed a fine of \$500 for violation of any rules or regulations adopted pursuant to this section as they deem appropriate.

SEC. 2. *And be it further enacted, That this Act shall take effect June 1, 1963.*

Approved May 6, 1963.

CHAPTER 890
(Senate Bill 526)

AN ACT to add new Section 45E to Article 7 of the Code of Public Local Laws of Maryland (1930 Edition), title “Carroll County”, sub-title “County Commissioners”, to follow immediately after Section 45D thereof, as added by Chapter 806 of the Acts of 1961, authorizing the County Commissioners of Carroll County to adopt and promulgate, amend, revise and change a building code, a plumbing code and an electrical code.

SECTION 1. *Be it enacted by the General Assembly of Maryland, That new Section 45E be and it is hereby added to Article 7 of the Code of Public Local Laws of Maryland (1930 Edition), title “Carroll County”, sub-title “County Commissioners”, to follow immediately after Section 45D thereof, as added by Chapter 806 of the Acts of 1961, and to read as follows:*

45E. The County Commissioners of Carroll County are authorized to adopt and to promulgate, and from time to time to amend, revise, rescind or change, (1) a building code, to provide for the construction, maintenance and repair of any and all buildings and structures located within the County; (2) a plumbing code, to provide for the construction, maintenance and repair of pipes and all other manner of fixtures and devices for the plumbing, water and sewerage facilities in or about all buildings and structures located within the County; and (3) an electrical code, to provide for the installation, construction, maintenance and repair of all types of electrical equipment, fixtures, appliances, and devices. In either instance, the County Commissioners are authorized (1) to include provisions and requirements reasonably designed to secure and preserve the public health, safety and convenience and (2) to provide for the appointment and
