No. 36

(House Joint Resolution 69)

House Joint Resolution requesting the State Roads Commission to prepare mosaic property plans showing proposed roads and adjacent property when property is to be taken for road construction.

WHEREAS, Under current procedure the State Roads Commission when it acquires property for highway purposes files with the Clerk of the appropriate Court right of way plats showing the area to be taken, and

WHEREAS, These plats do not show the location of such area in relation to the entire tract from which the land needed is taken, and

WHEREAS, Under this procedure it is difficult, if not impossible, for a title searcher or other interested person to determine how the taking affects the remainder of the property, and

WHEREAS, Under the present procedure it is difficult for the County real estate Assessor to determine the assessed value of the land taken since it is not shown in relation to the remaining property, and

WHEREAS, It is considered desirable in cases where the highway is built on a new location for the State Roads Commission to file with the several Court Clerks a property mosaic or "Right of Way Prop-
