

DIRECTED to investigate, study and report upon the need for and the feasibility of enclosing the open or uncovered portions of the storm water and surface drainage systems in the developed area with Montgomery County which is in the Washington Suburban Sanitary District, the investigation, study and report to include not only such system or portions thereof as may be under the jurisdiction of the said Commission but also those maintained or operated by other public and by non-public parties, with the study and report to include both the engineering and economic aspects of the problem and of any recommended solution thereof; and be it further

*Resolved*, That the study, report and recommendations of the Commission shall include a suggested order or priority of need for enclosing or covering open channels and drains, the method of providing the financing to meet such costs, and, further, whether future storm or surface water systems, or portions thereof, constructed by any party in the herein mentioned area should be required to be closed or covered; and be it further

*Resolved*, That in making the necessary surveys and preparing the report, the Commission may engage the services of experts and consultants and may utilize its own forces, and the REASONABLE expenses to be incurred by the Commission in performing the duties requested of it herein shall be paid for from the proceeds of bonds to be issued by the Commission for storm water or surface drainage system needs in the Montgomery County portion of the Washington Suburban Sanitary District; and be it further

*Resolved*, That the Washington Suburban Sanitary Commission is ~~requested~~ DIRECTED to report the results of such studies and its recommendations to the members of the General Assembly from Montgomery County not later than ~~November 1, 1964~~ JANUARY 6, OCTOBER 1, 1964; and be it further

*Resolved*, That the Secretary of State be and he is hereby requested to send a copy of this resolution, under the Great Seal of the State of Maryland, to the Washington Suburban Sanitary Commission, and to the president of the Montgomery County Council.

Approved May 6, 1963.

No. 39

(House Joint Resolution 74)

House Joint Resolution requesting the Comptroller of the Treasury of Maryland, the Federal Trade Commission and the Congress of the United States to make a joint study and inquiry into the differentials between wholesale and retail prices of alcoholic beverages in Maryland and the District of Columbia and making recommendations respecting proposed legislation concerning the alcoholic beverage industry in Maryland and the need for additional legislation respecting the distribution and sale of alcoholic beverages in Maryland.
