No. 62

(House Joint Resolution 36)

House Joint Resolution requesting the Governor to direct the Board of Public Works to make funds available to governments of Montgomery, Prince George's and Charles Counties, and the Washington Suburban Sanitary District, for undertaking and continuing studies on a regional basis of problems of water supply, sewage disposal, solid waste disposal and storm drainage in the Maryland portion of the Washington metropolitan area.

WHEREAS, the Joint Committee on Washington metropolitan area problems of the 86th Congress of the United States, pursuant to Resolution 172 of the 85th Congress, recommended the creation of a Regional Sanitary Board; and

WHEREAS, pursuant thereto there was formed on July of 1959 a Regional Sanitary Board to promote coordination of the water supply and sewerage problems in the metropolitan area of Washington; and

WHEREAS, Maryland membership of the Board is composed of representatives of Montgomery County, Prince George's County, Charles County, the Washington Suburban Sanitary Commission, City of Rockville, Maryland State Board of Health and the Water Pollution Control Commission, and other members of the Board are representatives of corresponding political subdivisions and state agencies of Virginia and representatives of the District of Columbia and the Federal Government; and

WHEREAS, the Regional Sanitary Board has undertaken and is able to continue, subject to availability of funds, studies in the fields of water supply, sewage disposal, solid waste disposal and storm drainage problems; and

WHEREAS, such studies are financed by contributions made by members of the Board; and

WHEREAS, the Washington Suburban Sanitary Commission, at the request of Montgomery, Prince George's and Charles Counties, and other members of the Board, has acted as the agency to receive and administer the funds of the Board; and
