

**House Bill No. 792—Transportation Services in Prince  
George's County**

AN ACT to repeal and re-enact with amendments Section 41 and to amend Section 63 by adding a new subsection to be known as subsection (c) Section 63 of Chapter 780 Acts of the General Assembly of Maryland 1961, being Article 16 of the Code of Public Laws of Maryland, title "Montgomery County," subtitle "Maryland-Washington Metropolitan District" and "Maryland-Washington Regional District"; to provide that for coordination of transportation services for that portion of the Metropolitan and Regional District in Prince George's County shall be subject to the direction of Board of County Commissioners for Prince George's County; and to provide additional requirements for the adoption of general plans in that portion of the Regional District lying and being within Prince George's County.

May 2, 1963.

Honorable Marvin Mandel  
Acting Speaker  
House of Delegates  
State House  
Annapolis, Md.

Dear Mr. Mandel:

I have vetoed House Bill No. 792, and I am returning the same to you along with my veto message as required by Article 2, Section 17, of our Constitution.

This Bill is a Prince George's County local Bill, and relates to certain duties to be performed by County Commissioners in connection with investigations and reports for transportation services in that portion of the Maryland-Washington Regional District lying within the County.

There are serious discrepancies between the title to the Bill, and the body of the Bill. The Attorney General has advised me by letter dated April 30th, that these infirmities raise serious questions as to the constitutionality of the Bill, and he recommended that the same be vetoed.

Because of this obvious inconsistency, I have found it necessary to veto this Bill.

I am attaching, hereto, a copy of the Attorney General's letter which is to be construed as a portion of my veto message.

With kindest personal regards, and good wishes, I am

Sincerely yours,

(s) J. MILLARD TAWES,  
Governor.
