

*of the same, and on or before the 10th day of March of each year, the County Engineer or Road Supervisor shall submit to the County Commissioners a written report covering the condition of the different roads in the County, and the improvements made in the preceding twelve months, and a detailed statement of the amount of cost of material on each road.*

464. The **[Road Directors herein provided for]** *County Commissioners* shall take charge and supervision of all roads and bridges in Allegany County and shall see that no obstructions, hindrances or injury are or is permitted upon any road or bridge under their supervision, and any person placing any obstruction of any kind whatsoever on the public roads or in any side ditches thereto shall be liable to a fine of not less than five dollars nor more than twenty-five dollars for each and every offense, which may be imposed by the justice of the peace upon the complaint of the **[Road Directors or Engineer]** *County Commissioners*, and the person so placing the said obstruction on the public roads or in the side ditches thereto shall be liable to a fine of not less than five dollars nor more than twenty-five dollars for each day that he permits said obstruction to remain after the expiration of two days from the imposition of the original fine. All fines collected under the provisions of this section or of other sections of this sub-title shall be paid over to the Treasurer of Allegany County and credited by him to the account of the **[Road Directors]** *County Commissioners, for road purposes*; all such fines to be collectible as other fines imposed by justices of the peace.

470. Whenever any person or persons shall desire to improve any road to an extent beyond that contemplated by the **[Board of Directors]** *County Commissioners*, they may make application to said Board by petition, setting forth the location of the road to be improved, the extent and character of the improvement, and the probable cost thereof; and the said **[Road Directors and Engineer]** *County Commissioners* shall meet upon the premises and examine the location and the purpose set forth in the petition; and if **[said Board of Road Directors]** *the County Commissioners* shall judge that the public interest will be promoted thereby, they may direct the expenditure of an amount not exceeding three hundred dollars per mile for such improvements, but the petitioner shall first pay into the treasury of the county an amount not less than equal to that appropriated by the **[Road Directors]** *County Commissioners*. All of said money to be then expended for said improvements under the direction of **[said Road Directors]** *the County Commissioners*.

471. Whenever any owner of any property in Allegany County shall have paved, laid out or graded any avenue or road for the public convenience and is willing to dedicate the same to public uses by good and sufficient deed, duly recorded, the **[Board of Road Directors is]** *County Commissioners* are authorized to accept the same, if in the opinion of **[said Board]** *the County Commissioners* the same be convenient for public use, and upon acceptance, the said avenue or road so dedicated shall be kept in good order and repair by **[said Road Directors]** *the County Commissioners*; provided, however, that previous to such acceptance, said road shall be not less than thirty feet in width and duly and properly graded in the judgment of the **[Roads Engineer]** *County Commissioners*. All such deeds shall grant
