

member thereof, and shall, under the direction and with the approval of the Board, be charged with the general organization, administration and supervision, of the programs of public recreation contemplated and provided for by this Act. The Director's term of office shall be for one year but he shall be subject to reappointment by the Board. He shall be a person of such training experience and capacity as will especially qualify him to discharge the duties of the office. He shall possess those qualifications of education, training, and experience which will assure a thorough knowledge of current theory and practice in public recreation and give promise of the administrative ability to initiate and maintain a program within the jurisdiction and under the direction of the Board.

327E.

(a) The Board is authorized and empowered to consider and determine all questions of general policy relating to public Recreation and Parks for Dorchester County, and shall supervise and direct expenditure of all appropriations and funds made available to the Board from whatever source. The Board shall have power to appoint from time to time such Advisory Committee or Panels as it may see fit in the furtherance of its powers and functions herein granted.

(b) The Board shall have power and authority to initiate, adopt, direct or cause to be conducted or directed under its supervision a comprehensive program of public recreation in schools, parks or other lands or buildings, either publicly or privately owned, or other acceptable recreational facilities made available to the Board for such purposes by the County Commissioners of Dorchester County or by any other person, corporation or agency having jurisdiction over such facilities. The Board is further authorized to develop, equip, operate and maintain and issue permits for use of any of the facilities made available to and accepted by the Board for such purposes by the County Commissioners of Dorchester County, or by any person, corporation or agency having jurisdiction over such facilities, and the County Commissioners of Dorchester County may transfer to the Board created hereunder, functions now performed by other organizations which may be properly performable by the Board. The control of any land, buildings or other acceptable facilities made available to the Board shall be in accord with agreements reached between the Board and the person, corporation or agency having jurisdiction over such properties.

(c) No power or authority conferred by this Act shall be construed to abridge or limit the power of the County Commissioners of Dorchester County or of any governmental agency or of any person or corporation to refuse to permit or to limit the use of any ground, building, or facility under their individual or collective control, for recreational purposes. For the purpose of carrying on its functions, the Board may act directly or through a duly designated agent, agents or agencies.

327F.

The Board may, within the limits of funds appropriated to it for this purpose by the County Commissioners of Dorchester County, employ such personnel, in addition to the Director of Recreation and Parks as the Board may consider necessary to administer its func-
