

tions properly. The Director and all other personnel of the Board shall be employees of Dorchester County. Their salaries shall, subject to the approval of the County Commissioners of Dorchester County, be fixed by the Board. The Board is also authorized to employ personnel on a part-time or temporary basis, and may, in its discretion at any time, discharge any person employed by it, including the Director. The engagement of voluntary workers without compensation may also be undertaken by the Board upon the recommendation of the Director.

327G.

The Board shall submit to the County Commissioners of Dorchester County an annual report of its activities, together with recommendations for further activities and development of the County recreation and parks program; and shall also submit an annual budget, itemizing the appropriations necessary for the performance of its functions and duties in carrying out their program under this act. However, no monies allocated to the Board under this budget shall be transferred to activities or programs not provided for in the said budget without the consent and approval of the Board of County Commissioners of Dorchester County.

327H.

(a) The County Commissioners of Dorchester County, by and through the Board of Recreation and Parks hereby created, shall have power to accept any grant, devise or lease of real estate, or any gift or bequest of money or other property, or any donations to be applied, principal or income or both, for either temporary or permanent use, to parks, playgrounds or other recreational purposes. This power shall include authority to take advantage of any public funds which might become available for recreational projects.

(b) If any such grant, devise, lease, gift or bequest be conditional, the proper authorities of the County shall have power to accept the same upon the conditions attached and to comply with such conditions, if in the judgment of such authorities, such conditions are reasonable and for the best interests of the County. Money received in any such manner, unless otherwise provided by the terms of the gift or bequest, shall accrue and become a part of the funds available for expenditure by the Board for recreational and parks purposes, as herein defined. The County Commissioners of Dorchester County may, by and through the Board of Recreation and Parks hereby created, join or cooperate with the Federal Government, or the State of Maryland or with one or more municipalities or with one or more Dorchester County community recreation councils or with one or more other counties, or with the Dorchester County Board of Education or the Board of Recreation and Parks of one or more municipalities, or of one or more other Counties, in providing, establishing and conducting recreation centers, playgrounds, parks and other recreation facilities and activities.

(c) The Board shall have the power to purchase, construct or improve buildings and facilities.

SEC. 2. And be it further enacted, That all Acts or parts of Acts in conflict with this Act are hereby repealed.
