

registered in the name of an owner who resides within the county imposing the schedule.

(e) A county which imposes a supplementary schedule of motor vehicle registration fees shall do so by ordinance or resolution enacted and ordained in its usual legislative procedure applying to the imposition of a property tax upon real estate. The executive authority of the county shall promptly certify to the Department the fact of the imposition of the schedule of fees; and in any event the certification of a schedule of fees shall be sent to the Department prior to November 1 of any year, in order to be included in the collections made by the Department for the next ensuing registration year.

(f) Upon thus receiving the certification of any county which has imposed the supplementary schedule of fees applicable to any registration year, the Department shall include some suitable notice or identification upon the registration records and applications of owners who reside within the particular county, so that the supplementary fee is separately shown as part of the total fees and charges for the registration of the particular motor vehicle.

(g) The Department (including an agent under Section 23 of this Article) shall collect any such supplementary fees as part of the total fees and charges, prior to the registration of the motor vehicle or other vehicle, and shall make separate accounting for the supplementary fees.

(h) At monthly intervals during the registration year, the Department shall account for and remit to the county the amounts thus collected for supplementary fees from owners residing in each respective county. Before making any such remittance, the Department shall deduct the reasonable expenses of administering and enforcing the provisions of this section, adding the amount of any such deduction to the monies to be accounted for by the Department under Section 241 of this Article.

(i) All monies received by any county pursuant to the provisions of this section shall be distributed as follows:

(1) one-half ($\frac{1}{2}$) of the monies shall be paid into the funds of the county, to be committed to and spent only for the construction, reconstruction, or maintenance of county roads and streets in the county, or for the cost of paying principal and interest on bonds or other certificates of indebtedness issued for such purposes and outstanding against the county.

(2) one-half ($\frac{1}{2}$) of the monies, according to the formula indicated, shall be paid into the funds of the county and of any municipal corporation which is subject to the provisions of Article 11E of the Constitution of Maryland and which is within or partly within the limits of the county, to be committed to and spent only for the construction, reconstruction, or maintenance of roads and streets in the county or in the municipal corporation, as the case may be, or for the cost of paying principal and interest on bonds or other certificates of indebtedness issued for such purposes and outstanding against the county or the municipal corporation, as the case may be. The formula for the distribution of this one-half ($\frac{1}{2}$) share is:

The total mileage of county and municipal roads in the county, computed as provided in Section 24 of Article 80B of this Code, shall
