*(b) The Secretary of State shall also include in the compilation a list of all other State agencies by name which are authorized to adopt rules and regulations, but shall omit the printing of the full text of the rules and regulations of such agencies. Each rule of such agency not printed in full shall be listed by number and after each number there shall be printed a short summary of the content of the rule. After the full text or the summary of the rules and regulations of each agency there shall be included a statement of where copies of the rules and regulations can be obtained. Any rules and regulations not required to be printed in full shall be made available in printed or processed form to the public upon application to the adopting agency.*

*(c) The Secretary of State in consultation with the members of any committee on review of administrative rules and regulations established by the General Assembly or the Legislative Council shall determine the form and manner of printing of the compilation, and*
