

banks therein, and its market value, according to the latest price current he has seen, in obedience to their order of the 9th inst.

The stock of the Hagerstown Bank is not rated in the price current, and he is not otherwise informed of its market value, except by a communication of its president to a committee of the last session on the currency, in which it is said (11th January 1842) to be above par.

The Elkton Bank, several years ago, ceased to operate, and its stock has no known value.

He has the honor to be,

Their most obedient servant,

GEORGE MACKUBIN,

Treasurer W. S. Md.
