

EACH PROJECT WHICH WILL INCLUDE A PRESENTATION OF APPROPRIATE FACTS JUSTIFYING SUCH PROPOSED CONSTRUCTION; AND (6) THE ESTIMATED COST OF EACH CONSTRUCTION ITEM *in the program. Any MATERIAL change in the finally adopted five-year program, excluding only normal deviations from the listed estimated costs shall require an amendment of the program in accordance with the provisions of this section. For the purposes of this section, the five-year projected program of major extensions of sewer and water facilities shall include sewer mains of ~~twelve~~ FIFTEEN inches or over, water mains of ~~ten~~ SIXTEEN inches or over, sewage or water pumping stations, forced mains, storage and other major facilities, and any of the foregoing specifically enumerated facilities which have been previously approved and adopted, but which have not been put under contract at the time of the preparation of each program.* THE PROGRAM SHALL INDICATE, BY PROJECT, THOSE LINES FOR WHICH CONSTRUCTION CONTRIBUTIONS HAVE BEEN MADE OR COMMITTED, TOGETHER WITH THE AMOUNTS OF SUCH CONTRIBUTIONS, AS OF THE DATE OF THE PREPARATIONS OF THE PROPOSED PROGRAM. *Each program shall be available to public view and inspection at the Commission offices and a sufficient REASONABLE number of copies shall be made available AT COST to satisfy all reasonable requests therefor.*

(b) Recommendations of Park and Planning Commission. ~~[Thirty]~~ ~~Sixty~~ FIFTY or more days before the *required* adoption date of its annual five-year sewer and water construction program[s], the Commission shall transmit to the Maryland-National Capital Park and Planning Commission its proposed program[s], ~~[including dates of construction priority and estimated cost of the projects included therein,]~~ along with a general statement in explanation of such proposed program[s], and the Sanitary Commission shall not thereafter adopt its final construction program for the ensuing five years until it shall have received from said Park and Planning Commission its comment *and recommendations* on the proposed program[s and priorities] or until ~~[thirty]~~ ~~forty~~ TWENTY-FIVE days shall have passed, whichever shall be sooner. If said Park and Planning Commission shall recommend any changes or deletions in the proposed program[s], it shall state its reasons therefor, *in writing*, and the Sanitary Commission shall re-examine its proposed program[s] and give due weight to the recommendations of said Park and Planning Commission before ~~[making]~~ final adoption of the program[s], it being the intent of the General Assembly that the two Commissions shall make every reasonable effort to reach agreement with respect to the program[s] required by this section, but that the Sanitary Commission's right to make the final decision in the event of disagreement shall not be impaired, except as hereinafter provided. ~~When such agreement cannot be reached, the Sanitary Commission shall state, in writing, the reasons for not accepting the Park and Planning Commission's recommendations.~~ If the Sanitary Commission shall propose a resolution amending any duly adopted construction program [or schedule of priorities], in accordance with this section, such proposed resolution shall, before final adoption, be transmitted, *along with a statement of explanation*, to the said Park and Planning Commission and the same procedures shall be followed as set forth ~~[above]~~ *herein* for the five-year program[s] and annual revisions thereof.
