

Permit fees shall be computed as follows: (a) for a farm milk tank truck of a capacity not exceeding 5,000 gallons, the fee shall be \$10.00; (b) for a farm milk tank truck of a capacity exceeding 5,000 gallons, the fee shall be \$25.00. For a stationary receiving station, the fee shall be computed as follows: (c) for receiving milk and/or other fluid dairy products in any amount not to exceed the equivalent of 2,000 pounds daily, the fee shall be \$5.00; (d) for receiving milk and/or other fluid dairy products in excess of 2,000 pounds daily, but not to exceed the equivalent of 40,000 pounds daily, the fee shall be \$10.00; (e) for receiving milk and/or other fluid dairy products in excess of 40,000 pounds daily, the fee shall be \$25.00. Permits shall not be assignable or transferable.

88—EQUIPMENT—

It shall be unlawful for any person who is subject to the provisions of Sec. 86 of this sub-title to use in the determination of weight, measure or test of milk or other fluid dairy products so purchased, any weighing, measuring or testing equipment which does not conform to the specifications of the National Bureau of Standards and/or the Association of Official Agricultural Chemists as contained in the latest edition of their official publication and which has not been inspected, tested and approved by an authorized agent of the State Board of Agriculture. The State Board of Agriculture shall have a right to make a reasonable charge for each item of equipment inspected.

89—MANNER OF TESTING—

It shall be unlawful for any person who is subject to the provisions of Sec. 86 of this sub-title to take, collect or use for testing purposes any sample which will test lower or higher than the test of the milk or other fluid dairy product from which it was taken, or to underread, overread or erroneously manipulate the test or to falsify any part of the record of any such test used as a basis for payment to the producer in any milk or other fluid dairy product so purchased.

90—INJUNCTION—

The State Board of Agriculture shall have the power to bring an action for an injunction to restrain any person from using equipment, methods of sampling, weighing or testing, or otherwise operating in violation of this sub-title or regulations promulgated by the Board pursuant to this sub-title to prevent any further and continuing violations of this sub-title or any such regulations.

91—LICENSES—

Every person who is subject to the provisions of Sec. 86 of this sub-title who purchases or receives milk or other fluid dairy products on the basis of its weight, measure and/or test shall have these operations performed only by individuals licensed by the State Board of Agriculture.

Any individual desiring to obtain a license to weigh, measure, sample and/or test milk and/or other fluid dairy products shall apply to the State Board of Agriculture or its authorized agent and pay
