

*an application fee. If the applicant satisfactorily passes an appropriate examination conducted by the State Board of Agriculture, he shall be entitled to receive the kind of license for which he qualifies upon the payment of fees. All licenses shall be good for the license year of issue unless revoked or suspended and shall be renewable annually without examination upon application and payment of a renewal fee.*

*All fees to be paid under the provisions of this sub-title shall be accounted for by the Maryland State Board of Agriculture to the State Comptroller and shall be used in enforcing the provisions of these sections.*

#### 92—SAMPLES—

*Samples used as a basis for payment to the producer shall be taken, maintained and tested in the manner and within the period of time specified by the State Board of Agriculture or its authorized agent.*

*No test of a sample that has been altered in any manner so that it tests lower or higher than the test of the milk or other fluid dairy product from which it was taken shall be used as a basis for payment.*

#### 93—CORRECT WEIGHT, MEASURE AND TEST—

*No person shall use as a basis of payment to any producer of milk or other fluid dairy product any weight, measure or test which is lower or higher than the weight, measure or test of the product from which it was taken as determined by the procedures approved by the State Board of Agriculture or its authorized agent.*

#### 94—PRODUCER RECEIPT AND RECORDS—

*Every person required by Sec. 86 of this sub-title to have a permit shall notify the producer of the results of the tests and the basis of payment and shall maintain records of such tests and payment in a manner as specified by the State Board of Agriculture or its authorized agent.*

#### 95—INSPECTION AND CHECK TESTING—

*The State Board of Agriculture or its agent is hereby authorized to enter the premises of any person required by Sec. 86 of this sub-title to have a permit, at any and all reasonable hours, to examine the weighing, measuring, sampling and testing apparatus, to take samples of milk and/or other fluid dairy products, to check weights, measures and test results and to inspect, AND audit ~~and copy~~ all books, papers, records or documents bearing thereon. All information obtained by the State Board of Agriculture from the records of any person shall be kept confidential by all officers and employees, and only such information required to be revealed in any proceedings brought under this sub-title shall be disclosed; and nothing herein shall be deemed to prohibit the compilation of statistical reports from the information so acquired from a number of persons provided the compilation does not identify the person furnishing any specific information.*
