

*pliable to the age at which he paid prior to disability. Anything in this subtitle to the contrary notwithstanding, any prior service certificate on the basis of which his service was computed at the time of his retirement shall be restored to full force and effect, and in addition, upon his subsequent retirement he shall be credited with all the service as a member creditable to him at the time of retirement; but should he be restored to membership after the attainment of age 45 [50], his pension upon subsequent retirement shall not exceed the pension which he was receiving immediately prior to his last restoration to membership before any reduction of such pension as provided in paragraph (b) of this subsection and the pension that may have accrued to him as a new member on account of service since his last restoration to membership, provided that the total pension on his subsequent retirement shall not exceed the rate per centum he would have received had he remained in service during the period of his prior retirement.*

## 56.

(1) (a) The Annuity Savings Fund shall be a fund in which shall be accumulated contributions deducted from the compensation of members to provide for their annuities. *Such contributions shall be for each member, at the rate determined in accordance with the following table:*

<i>Age at Entry into System</i>	<i>Proportion of Earnable Compensation</i>
20	7.80%
21	7.90
22	8.05
