

George's County, it shall first be submitted to the Prince George's County Planning Board for approval, disapproval or suggestions; and the said [planning board] *Planning Board* shall [have been] be allowed a reasonable time not [less] more than [three (3) months,] *six (6) months*, for consideration and report. Prior to the [planning board's] *Planning Board's* action on the proposed amendment, it shall receive a report from its technical staff which shall also be submitted to the applicant and/or his attorney or agent. [and any person, who, in writing, has requested a copy of said staff report, prior to submission of same to the planning board.] The [planning board] *Planning Board* shall not take action on the said amendment until at least fifteen (15) days after receipt of the technical staff report. [Provided that if, within the said period the planning board shall have received from the applicant a written request for an opportunity to explain the application, the same shall be granted prior to planning board action on the amendment.] *In the event the Planning Board shall receive within said fifteen (15) day period a written request from the applicant and/or his attorney, he shall be granted an opportunity to explain the application to the Planning Board.* [The planning board shall take action, by resolution, immediately following a hearing or at any time thereafter within the time limitations of this section. The planning board's resolution transmitting its recommendations on such applications shall include only its summary statement setting forth the basis for its action.] *The Planning Board shall take action by resolution immediately following the hearing of the applicant's explanation or at any time thereafter within the time limits established by this subsection. The action of the Planning Board as set forth in the resolution shall be transmitted to the District Council together with copies of the original application and the technical staff report.*

SEC. 2. *And be it further enacted, That this Act shall take effect June 1, 1965.*

Approved May 4, 1965.

CHAPTER 855

(House Bill 709)

AN ACT to repeal and re-enact, with amendments, Section 2(f) of Article 75½ of the Annotated Code of Maryland (1957 Edition), title "Professional Engineers and Land Surveyors," to change the definition of the practice of land surveying, and to permit land surveyors in the State to prepare plats, plans and profiles for roads, and storm drainage, and to relate generally to land surveying in the State.

SECTION 1. *Be it enacted by the General Assembly of Maryland, That Section 2(f) of Article 75½ of the Annotated Code of Maryland (1957 Edition), title "Professional Engineers and Land Surveyors," be and it is hereby repealed and re-enacted, with amendments, to read as follows:*
