317-14. Planning Process—

(a) The mass transit plan, and any revisions, alterations or amendments thereof, shall be coordinated, through the procedures hereinafter set forth, with

(1) other plans and programs affecting transportation in the Zone in order to achieve a balanced system of transportation, utilizing each mode to its best advantage;

(2) the general plan or plans for the development of the Zone; and

(3) the development plans of the various political subdivisions embraced within the Zone.

(b) It shall be the duty and responsibility of each member of the Board to serve as liaison between the Board and the body which appointed him to the Board. To provide a framework for regional participation in the planning process, the Board shall create technical committees concerned with planning and collection and analyses of data relative to decision-making in the transportation planning process and the Commissioners of the District of Columbia, the component governments of the Northern Virginia Transportation District and the Washington Suburban Transit District shall appoint representatives to such technical committees and otherwise cooperate with the Board in the formulation of a mass transit plan, or in revisions, alterations or amendments thereof.

(c) The Board, in the preparation, revision, alteration or amendment of a mass transit plan, shall

(1) consider data with respect to current and prospective conditions in the Zone, including, without limitation, land use, population, economic factors affecting development plans, goals or objectives for the development of the Zone and the separate political subdivisions, transit demands to be generated by such development, travel patterns, existing and proposed transportation and transit facilities, impact of transit plans on the dislocation of families and businesses, preservation of the beauty and dignity of the Nation's Capital, factors affecting environmental amenities and aesthetics and financial resources;

(2) cooperate with and participate in any continuous, comprehensive transportation planning process cooperatively established by the highway agencies of the signatories and the local political subdivisions in the Zone to meet the planning standards now or hereafter prescribed by the Federal-Aid Highway Acts; and

(3) to the extent not inconsistent with or duplicative of the planning process specified in subparagraph (2) of this paragraph (c), cooperate with the National Capital Planning Commission, the National Capital Regional Planning Council, the Washington Metropolitan Council of Governments, the Washington Metropolitan Area Transit Commission, the highway agencies of the Signatories, the
