

"No extra compensation shall be granted or allowed by the General Assembly to any public Officer, Agent, Servant or Contractor, after the service shall have been rendered, or the contract entered into; . . ."

In accordance with our previous opinion, we believe that to provide, or increase, a pension for former bailiffs who are no longer bailiffs would be extra compensation granted to a public servant after the services have been rendered.

For the reasons set forth above, we believe that House Bill 527 could not constitutionally apply to bailiffs who have retired prior to January 1, 1964.

Very truly yours,

(s) Thomas B. Finan,
Attorney General.
