

Except that in Harford County a "restaurant" as used in Section 14 means a business establishment for the accommodation of the public, fully equipped with a proper and adequate dining room, tables, chairs and sufficient facilities for preparing and serving regular meals, as may be approved by the liquor control board. It must contain sanitary facilities, running hot and cold water, equipment for the proper cleaning of dishes and kitchenware and adequate toilets, as may be approved by said board and department of health. At all times there must be sufficient food on the premises for the regular serving of meals, with a proper sign or signs in front of said establishment designating "restaurant," or food and beverages sold therein, and not advertising any other business. In said establishment the average gross monthly receipts from the sale of foods cooked or prepared and served on the premises where the license is exercised, and other foods, commodities and items defined by the liquor control board, must exceed fifty percent of the average monthly receipts from the sale of beer and wine, except that no restaurant serving food and beverages in Harford County whose gross monthly receipts from the sale of food averages \$1,500 or more shall be required to sell food and food commodities in excess of 50% of the average monthly receipts from the sale of beer and wine.

The requirements of this section relating to average daily receipts are not applicable to any licenses issued in Cecil County.
