CHAPTER 377

(House Bill 215)

AN ACT relating to the Washington Suburban Sanitary Commission, repealing and re-enacting, with amendments, subsections (a), (c) and (e) of Section 73-61 of the Code of Public Local Laws of Montgomery County (1960 Edition), being Article 16 of the Code of Public Local Laws of Maryland, title "Montgomery County," subtitle "Washington Suburban Sanitary District," relating to the authority of the Washington Suburban Sanitary Commission with respect to water supply and sewage collection and disposal systems in any area in Montgomery County not within the Washington Suburban Sanitary District, AND PROVIDING FOR COMMISSION OVERSIGHT OF THE OPERATION OF SUCH SYSTEMS.

SECTION 1. *Be it enacted by the General Assembly of Maryland,* That subsections (a), (c) and (e) of Section 73-61 of the Code of Public Local Laws of Montgomery County (1960 Edition), being Article 16 of the Code of Public Local Laws of Maryland, title "Montgomery County," subtitle "Washington Suburban Sanitary District," be and they are hereby repealed and re-enacted, with amendments, to read as follows:

73-61.

(a) From and after June 1, 1957, no individual, firm or [private] corporation shall construct, alter or extend, *nor AFTER JUNE 1, 1965 operate contrary to the provisions of subsection (c) hereof,* a water supply system or a sewage collection and disposal system in any area in Montgomery County, Maryland, not included within the area of the Washington Suburban Sanitary District, without having received a written permit from the Washington Suburban Sanitary Commission so to do; and [such] *the* permit for such purpose shall not be issued until complete plans and specifications for the installation, alteration or extension, together with such information as the Commission may require, have been submitted to and approved by [said] *the* Commission. All construction shall take place in accordance with the approved plans and shall be subject to the inspection of [said] *the* Commission. In case it shall become necessary or desirable to make material changes in plans and specifications, such changed plans and specifications, together with a statement of the reasons for the alteration, shall be submitted to the Commission and no material changes shall be embodied in the actual construction until they have been approved and a permit issued therefor.
