

applicable to payments of interest and principal on said bonds as hereinbefore and hereinafter in the sub-title provided; it shall determine the number of cents per \$100.00 necessary to raise the said amount for each such sanitary district and shall certify the same to the Board of County Commissioners. The said County Commissioners in their next annual levy shall levy said tax on all land and improvements and all other property assessed for county tax purposes within the respective sanitary district, which tax shall be levied and collected and have the same priority rights, bear the same interest and penalties and in every respect be treated the same as county taxes. The tax so levied for the ensuing year shall be collected by the tax collecting authorities and every sixty days they shall remit the whole amount of the tax so collected to the Commission. From the money so received, together with the amount in hand to the credit of said bond fund, the Commission shall first pay all interest and principal on said bonds as it becomes due, and shall then deposit the residue of said moneys in some bank or banks in said County to the joint credit of the County Commissioners and the Commission. The Commission is authorized to pay the interest on any bonds it may issue out of the proceeds of the sale of said bonds, but not more than one year's interest may be so expended.

In order that the prompt payment of interest and the proper provision for the payment of the principal of said bonds shall be assured, the prompt and proper performance of the respective acts and duties heretofore defined is specifically enjoined, and any failure upon the part of any person, persons, body corporate or agent to perform the necessary acts and duties hereafter set forth, to pay over the said funds as required, or to use said funds [or any part thereof for any other purpose than] for the payment of the principal and interest on said bonds, is hereby declared a misdemeanor and punishable as other misdemeanors are punishable by Section 21 of this sub-title.

187.

For the purpose of providing funds for maintenance, repairing and operating its water supply, sewerage or drainage systems, and for its operation and other expenses, including proper depreciation allowances, and for interest on, and the retirement of bonds as specified in this sub-title, the Commission is hereby empowered to make a ready-to-serve charge on water and a charge for the upkeep of sewers chargeable against all properties having a connection with any water pipe or sewer pipe under its supervision or ownership. Said rate for both ready-to-serve and such charge for the upkeep on sewers shall be uniform throughout such sanitary district, subject to such changes from time to time as may be [necessary] *necessary*. The charge for the upkeep on sewers shall be reasonable and collected annually in the same manner as benefit assessments are collected and shall be a first lien against all property having a connection with any sewer pipe under its supervision or ownership. The rates for water service shall consist of a minimum or ready-to-serve charge, which shall be based upon the size of the meter on the water connection leading to the property, and of a charge for water used, which shall be based upon the amount of water passing through the meter during the period between the last two readings, said meter being required to be placed on each water connection by and at the sole expense of the Commission. If the Commission at any time shall
